This large custom home has a large great room with a plaster and marble surround fireplace. Large picture windows, smooth ceilings, recessed lighting and built in shelves and cabinets along with surround sound speakers! The mahogany floors are beautiful and the heavy crown molding and updated lighting cannot go unnoticed. Through the large windows are trees for as far as the eye can see! The kitchen has a large island to accommodate a large family if needed. There is a double oven, a six burner gas cook top and a beautiful custom cook top hood. Marble back splash and pretty cabinets. The master bedroom looks like something from a Southern Living magazine, beautiful ship lapped ceiling and inviting lighting and colors. The hallway to the laundry has two sets of built ins and a large work area. The back stair case leads to a large bonus room that can easily be a guest suite with an en suite bathroom and large closet. An additional room is currently used as an exercise room. The screened in porch has a wood burning fireplace and a hot tub. The main staircase leads to three additional bedrooms and a large den that can easily be used as a fourth bedroom. The main living room has a tongue and groove ceiling and rock surround fireplace with a huge closet that would be ideal to use if this was a home office. The formal dining room is large and spacious. High ceilings and gorgeous arched doors and windows are a few of the
